#1 I don't even expect you to reply to this because based on what I'm about to talk about, you care about nothing other than fame or attention. I can't believe it took me until now to realize what I'm worth to confront u. Drake, I first met u when I was 12 years old. U knew how much I looked up to u and u used that to ur own advantage. U knew because I was young, looked older for my age that you could easily get away with hitting on me. I cannot believe you did to that me. It honestly breaks my heart to think about where I started off to where I ended off. I already know that you deny it and I don't need to convince your gf because I know that she already knows that you cheat on her with 16 year olds and I have plenty of proof. And on top of that, you are ok with both me and her meeting each other

#2 It's absolutely awful what you did to me and it breaks me now. And now for Janet, how dare you. How dare you have a problem with me when I am underage. I'm literally the minor here. You know what he did. You know me and him did things. When I met you, you had the nerve to give me dirty looks as if I'm the bad guy here. I'd ask you to put yourself in my shoes for a second where ur 15 years old and ur celeb crush starts flirting with u, but there's no point. And if u truly don't believe me that just means ur stupid but I don't think that's the case and, Drake has my nudes on his phone. I wouldn't even be messaging either of u any of this if u were both mature enough to realize what u did was disgusting, illegal and wrong.

#3 You're both wrong. And I know I'm never getting an apology. Drake u could have owned up and Janet u could have done something right and tell me I am not in the wrong. You need help. What you put me through is something I will never forget. You took advantage of a teenage girl and I don't feel the need to threaten you or tell my parents or aunt who would call the police in an instant because you both just clearly have issues. I just want you to know how horrible you made me a feel. I hope u never put another young girl what u put me through again. Don't ever contact me again. Goodbye

#4 Wow u can't even answer. U make me so fucking sick I can't even explain it. How dare YOU allow me to go off on Janet for YOUR disgusting behaviour. I didn't say too much after I exposed u to her bc I was giving u the benefit of the doubt that maybe u would say something. Like an apology. But u didn't cuz ur too weak and ur too afraid to respond to a 16 year old. Lol ur so pathetic. Isn't it cute how all of this could have been avoided if u had self control? U have a girlfriend and that's not enough for u so u prey on teenage girls and u don't see anything wrong with it. And u think I'm sooo stupid. Guess what, I'm not! U are behind everything. U always were. U were pretending to be her and then u block me off of her account so that I couldn't contact her. Well guess whose the stupid one now bc as u know that's what I did today :) This

#6 U could have avoided everything if u gave a shit about anyone. And don't give me that bullshit that u care bc U DONT. Ur girl knows the truth now and I'm devastated that it took me this long to tell her. But the person who disgusts me is you. U have treated me like I am nothing. I have honestly never felt so used in my life than I have by u. I wasted so much of my parents money to see someone like u so many times. U manipulated me all the time into thinking everything was my fault bc u are a manipulator and a terrible person. U could have had this fan who would have supported u non-stop, but instead u shattered my heart into a billion pieces by treating me like u had me wrapped around ur little finger. Bet that's what u thought till today cuz every time I stood up for myself to u you would get all defensive.

#7 I cannot wait till you do this to the wrong girl. I prefer u don't since I would blame myself but u will never stop. I don't care enough about u to put u in jail. U need to know how horrible u made me feel. U probably don't give a shit but this is my way of saying fuck you. U are a garbage person. Fuck you. Fuck you

God forbid I wasn't on my knees for u begging u to still want me. U treated me with such disrespect. U were gonna be that one guy who would if anything help me with guys and be an actual friend to me. Because of u, I will never fully trust a guy ever again. #1 I don't even expect you to reply to this because based on what I'm about to talk about, you care about nothing other than fame or attention. I can't believe it took me until now to realize what I'm worth to confront u. Drake, I first met u when I was 12 years old. U knew how much I looked up to u and u used that to ur own advantage. U knew because I was young, looked older for my age that you could easily get away with hitting on me. I cannot believe you did to that me. It honestly breaks my heart to think about where I started off to where I ended off. I already know that you deny it and I don't need to convince your gf because I know that she already knows that you cheat on her with 16 year olds and I have plenty of proof. And on top of that, you are ok with both me and her meeting each other

#2 It's absolutely awful what you did to me and it breaks me now. And now for Janet, how dare you. How dare you have a problem with me when I am underage. I'm literally the minor here. You know what he did. You know me and him did things. When I met you, you had the nerve to give me dirty looks as if I'm the bad guy here. I'd ask you to put yourself in my shoes for a second where ur 15 years old and ur celeb crush starts flirting with u, but there's no point. And if u truly don't believe me that just means ur stupid but I don't think that's the case and, Drake has my nudes on his phone. I wouldn't even be messaging either of u any of this if u were both mature enough to realize what u did was disgusting, illegal and wrong.

#3 You're both wrong. And I know I'm never getting an apology. Drake u could have owned up and Janet u could have done something right and tell me I am not in the wrong. You need help. What you put me through is something I will never forget. You took advantage of a teenage girl and I don't feel the need to threaten you or tell my parents or aunt who would call the police in an instant because you both just clearly have issues. I just want you to know how horrible you made me a feel. I hope u never put another young girl what u put me through again. Don't ever contact me again. Goodbye

#4 Wow u can't even answer. U make me so fucking sick I can't even explain it. How dare YOU allow me to go off on Janet for YOUR disgusting behaviour. I didn't say too much after I exposed u to her bc I was giving u the benefit of the doubt that maybe u would say something. Like an apology. But u didn't cuz ur too weak and ur too afraid to respond to a 16 year old. Lol ur so pathetic. Isn't it cute how all of this could have been avoided if u had self control? U have a girlfriend and that's not enough for u so u prey on teenage girls and u don't see anything wrong with it. And u think I'm sooo stupid. Guess what, I'm not! U are behind everything. U always were. U were pretending to be her and then u block me off of her account so that I couldn't contact her. Well guess whose the stupid one now bc as u know that's what I did today :) This

is all ur fault.

#5 U are literally the scum of the earth and ur a pathetic slime who can't get anyone unless they're underage and drooling over how u looked on Drake and Josh. Ur honestly such an awful person u dont even care how u make other people look or feel. And u can say to yourself I'm crazy or I initiated it or I'm a bitch...when I'm the minor here. The only time I was ever crazy was when I thought it was a good idea

RAPE/SE

#6 U could have avoided everything if u gave a shit about anyone. And don't give me that bullshit that u care bc U DONT. Ur girl knows the truth now and I'm devastated that it took me this long to tell her. But the person who disgusts me is you. U have treated me like I am nothing. I have honestly never felt so used in my life than I have by u. I wasted so much of my parents money to see someone like u so many times. U manipulated me all the time into thinking everything was my fault bc u are a manipulator and a terrible person. U could have had this fan who would have supported u non-stop, but instead u shattered my heart into a billion pieces by treating me like u had me wrapped around ur little finger. Bet that's what u thought till today cuz every time I stood up for myself to u you would get all defensive.

#7 I cannot wait till you do this to the wrong girl. I prefer u don't since I would blame myself but u will never stop. I don't care enough about u to put u in jail. U need to know how horrible u made me feel. U probably don't give a shit but this is my way of saying fuck you. U are a garbage person. Fuck you. Fuck you

#8 Dont u worry. The truth will come out soon once im ready to talk ab the trauma u put me through u creep□ur twice my age...

#9 U dont want to lose fans. That's all u care about. Im not as stupid as the other girls u prey on

#10 U dont even think u did anything wrong!

#11 If u cared about me u would have not just not preyed on me and fooled around with me, u wouldn't have talked to me like I was a piece of shit. U made me feel so small and weak. God forbid I wasn't on my knees for u begging u to still want me. U treated me with such disrespect. U were gonna be that one guy who would if anything help me with guys and be an actual friend to me. Because of u, I will never fully trust a guy ever again. U put me through hell with the way u treated me and made me feel like I was mistreating u when I would drive 9 hours for u multiple times and u got my

#12 That's what I thought we were until u started sexting me
